It is also stated that the line will soon begin to run from the north its terminus to the Spanish depot, thereby making a direct connection of the two roads.

Let the good work go merrily on. It will make Athens a dividend point; the shops will be located here, because it is the only place near, where potable water can be for the employees and in abundance for all other purposes. The

The above clipping from the Advocate is encouraging to this part of the plains. There was much talk of the Quanah, Acme & Pacific extending their lines west from Quanah in April 1910, and committees were sent from several towns in this country, including Roswell, Artesia, Carlsbad, Lovington and Knowles, but our expectation of preliminary surveys, etc., came to naught. But now they are active on each end of the line, which gives us confidence the connecting link will be stricken soon.

Thomas W. Wilson, His Wife and Fred D. Clark arrived in Albuquerque from the States of America.

The object of the trip is to reap out the roads, and the party are not at all peticular about hunting out the best ones but follow right across any old trail that looks like it might take them where they want to go. A special effort is be-made to map out a route which shall take in as many points of historic or scenic interest as possible.

Mr. Wilby and his wife visited Old Albuquerque and the University today, and will leave tomorrow morning for Santa Fe, though they have not decided what route to take yet.

Notice is hereby given that approved plats of Townships 14 and 16 south of Range 35 East, and Township 14 south of Range 3 East, have been received and filed in this office. Lands contained in said Townships will be sold at public auction on 2 o'clock P. M. November 20, 1901. Signed
